THE LA QUERCIA® YIELD ADVANTAGE

La Quercia®
Prosciutto
(boneless)

Trim = 4%

Italian
Prosciutto
(boneless)

Trim = 21%

For every lb of La Quercia® Prosciutto you buy, you get 22% more servable prosciutto than you get per lb of Italian prosciutto.

The difference in size and shape of La Quercia® Prosciutto also means that you need 30% less per serving.

Servings per lb, yield adjusted:
La Quercia®: 15.36
Italian: 10.50

With the yield advantage and serving size advantage, you get 46% more servings per lb of La Quercia® prosciutto.
